

# HOME SWEET HOME

*Mole: Home, that's what I can smell Ratty! Home. And here it is, just as I left it. Mole End! Home sweet home!*

- 1    *ALL*  
Home sweet home,  
*MOLE*  
Fills my heart with the greatest pleasure.  
*ALL*  
Home sweet home,  
*MOLE*  
Feels like I've been away forever.  
Nobody can take from me  
The things that I've been shown,  
But nothing can compare with coming home.
  
- 2    *ALL*  
Home sweet home,  
Fills my heart with the greatest pleasure.  
Home sweet home,  
Feels like I've been away forever.  
Suddenly it's clear to me  
What I have always known,  
There's nothing I like more than being home.
  
- 3    INSTRUMENTAL
  
- 4    Home sweet home,  
Fills my heart with the greatest pleasure.  
Home sweet home,  
Feels like I've been away forever.  
Finally a place to be  
That I can call my own,  
It's nothing grand, it's simple home sweet home,  
*MOLE*  
Nothing grand, it's simple home sweet home,  
*ALL*  
Nothing grand, it's simple home sweet home.
