

# LIFE OF LUXURY

CW: *I'd like to thank my mother and father for having me, and I'd particularly like to thank Mr Toad for giving us low life the opportunity to enjoy the high life!*

**ALL**

- 1 We're having a good time,  
We're living the high life,  
We're in with the aristocracy!  
We've got us a gold-mine,  
We're drinking all Toad's wine,  
We're living the life of luxury!

CHORUS *Chat over champagne by the pi-a-no,  
"Darling, I adore your eau de cologne!"  
We'll party away until it's tomorrow.  
Make the most of it!  
Raise a toast to our good friend Mr Toad! (Oy!)  
We're onto a fine thing,  
It's just the beginning,  
We're living the life of luxury!*

- 2 We've hit on the jackpot,  
We've taken the top spot,  
We're waving goodbye to modesty!  
We're doing the foxtrot,  
We're donning our posh frocks,  
We're living the life of luxury!

CHORUS

- 3 INSTRUMENTAL (*With dialogue:*)  
**Weasel** *'Ello darlin', do you come 'ere often?*  
**Female** *Oh no – only when the owner's banged up in jail!*  
**Weasel** *Nice venue for your party Chief!*  
**Chief** *You're not wrong there! Not so much Toad Hall as 'Free for 'all'!*

CHORUS

- 4 Repeat verse 1

We're living the life, we're living the life,  
We're living the life of luxury!
