

Deepen Activities

I A school reward afternoon starts at:

It ends at:

Children can choose from these activities.

| | |
|------------------|------------|
| Watch a film | 90 minutes |
| Painting | 35 minutes |
| Gardening | 20 minutes |
| Craft | 25 minutes |
| Cooking | 55 minutes |
| Tablet time | 25 minutes |
| Knitting | 20 minutes |
| Dodgeball | 15 minutes |
| Football | 30 minutes |
| Play group games | 35 minutes |

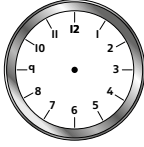

- Create a list of activities to fill the time.
- When will each activity start and finish?

I wonder what is the greatest number of activities that will fit in the time.

2

a) Complete the TV schedule.

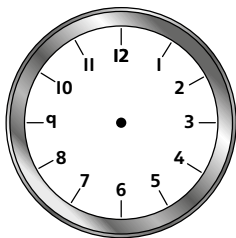

| Programme | Start time | End time | Duration |
|-------------|---|--|------------|
| Wild Time |  |  | |
| Space Stars |  |  | 85 minutes |

b) Happy House is on after Wild Time but before Space Stars.

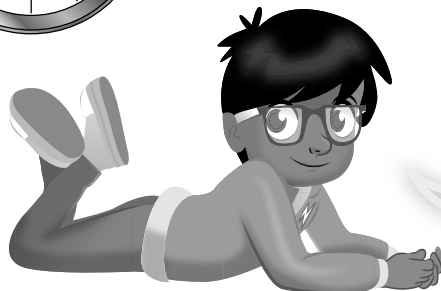

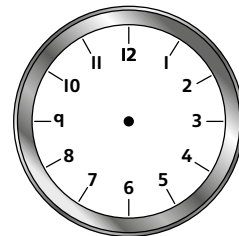

It lasts 20 minutes. What is the earliest and latest time it could start?

3

a) Draw an easy clock time.

b) Draw a difficult clock time.

What makes it easy or difficult?
